Excess:

- ! We are not able to pay claims if your pet suffers from complications during their first pregnancy, within the first 6 months of the plan.

- ! You should submit any claims as soon as possible. We don't pay claims where invoices have been submitted more than 6 months after the date of treatment.
- ! We do not cover any claim made by a third party if your pet causes injury or damage to property while outside the UK.

Where am I covered?

- ✓ You are covered in the United Kingdom, Channel Islands and Isle of Man.

What are my obligations?

- You must ensure the details we hold for you and your pet are correct. Incorrect information could result in us paying less towards your claim, and in some cases invalidate your policy.
- You must keep your premium payments up to date. Falling into arrears could result in us cancelling your policy and not paying your claim.
- You must follow your vet's recommendations on vaccinations. If you do not, you will not be covered for any illness.
- You must take your pet for an annual health and dental check-up with your vet. This is important to help spot health issues early and prevent them from developing into something more serious. If you do not do this, your claim will be rejected.
- You must submit any claims within 6 months of each date of treatment.

When and how do I pay?

You can pay monthly by credit and debit card or by interest free direct debit.

When does the cover start and end?

Your plan start date will be shown in plan handbook and will run for 12 months. It will renew automatically unless you tell us to stop the plan. We do this to make sure there are no gaps in your cover. We will contact you before renewal to remind you about this.

How do I cancel the contract?

- You can cancel free of charge at any time in your 14-day cooling off period. If you decide to cancel, we will refund all premiums paid unless you have made a claim. In this case, no premium will be refunded.
- You can also cancel this plan at any time after the 14-day cooling-off period. We will refund premiums for the unused portion of the plan unless you have made a claim. In this case no premium will be refunded.
- If you're making a claim for anything that happened before cancelling your policy, you'll need to pay your full annual premium before we can pay a claim.
- You can cancel your plan by speaking to us on 03453 40 40 90.
